EDUCATION

Bachelor of Computer Science and Engineering, Bundelkhand University, 8.8 CGPA   2020- 2024

.

SKILLS

Programming Languages: C++, Python, Html, CSS, JavaScript

Database and Language: PostgreSQL, MySQL, MongoDB

Frameworks: Django, Django-rest-framework, React JS

Version Control Tools: Git, Github

Other Tools: Postman, Jira, Figma

Course Work: Database and management system, Object-Oriented Programming, Software Development
                       Computer Networks, Operation Systems, Data Structures, and Algorithms

Soft Skills: Collaboration, Communication, Planning, Teamwork, Time Management, Leadership

Work EXPERIENCE

SDE Intern   Jun 2023 – Present

Tigbar   *Remote*

- Collaborated with Django Backend Development Team of 4 to create custom Middlewares   and test REST API's.
- Conducted Load Testing on **REST API's** using the locust library of Python, ensuring their reliability and scalability.
- Load test results showed an improvement in API response times by 35%.
- Working with Django, Django-rest-framework, Signals, Celery and Jira. Certificate

Web Development Intern   Sep 2022 - Oct 2022

LetsGrowMore   Remote

- Created Singal-paged web apps using ReactJs which fetches data from an API using Axios.
- Completed a web development internship program with LetsGrowMore, gaining hands-on experience with various technologies and tools in web development. Certificate

PROJECTS

Hospital Management System (Rest API)-GitHub

- Developed a hospital management system using Django Rest Framework that included features such as patient registration,appointment scheduling, prescription management and billing.Project description, features, uniqueness.
- **Tech stack used:** Django-Rest-Framework| Rest Api

The Colleges-Space - GitHub

- Buielt a Completely Responsive Blog Website for Student of my University . Here one Can Find Job notification Oncampus and Offcamous and One can easly Download PYQ's Branch wise and Semester wise.This Application is very easy to use.
- **Tech stack used:** Django| Html, CSS | Tailwind CSS

Portfolio (Self Learning Project) : Neeraj Portfolio

ACHIEVEMENTS &EXTRA-CURRICULAR ACTIVITIES

- Made **40+ Personal Project** in Web Development(Frontend + Backend) using Different Technologies.
- Solved over **800+ Coding Questions** on Different Coding Website.
- Web Application Technologies and Django(10/2022)- Coursera
- Google Kickstart Certificate (10/2022) - Google
